TIMELINE

DAY 1

Inauguration Ceremony
(Auditorium 1)
9:00 a.m. to 10:00 a.m.

Registration
(Science Block)
8:00 a.m. to 9:00 a.m.

Guest Lecture
(Auditorium 1)
10:00 a.m. to 11:00 a.m.

Expo Renaissance
(Science Block)
11:00 a.m. to 3:00 p.m.

10:00 a.m.–11:00 a.m.
Setup

11:00 a.m.–1:00 p.m.
Expo Walkthrough & Judging

1:00 p.m.–2:00 p.m.
Shortlisting & Refreshment

3:00 p.m.–3:30 p.m.
People Choice Award Finale

3:30 p.m.–4:00 p.m.
Awards & Closing

Last Protocol
(Auditorium 1)
11:00 a.m. to 1:00 p.m

Brand Blitz
(Lab 3)
2:00 p.m. to 3:00 p.m..

IT Quiz
(Lab 1)
1:00 p.m. to 2:00 p.m.

IT Quiz
Final round
(Auditorium 1)
3:00 p.m. to 4:00 p.m.

Awards & Closing
(Auditorium 1)

TIMELINE

DAY 2

Registration

(Science Block)

8:00 am to 9:00 a.m.

CODE-A-THON

(Auditorium 1)

9:00 a.m. to 5:00 p.m.

9:00 a.m.– 9:30 a.m.
Opening and Briefing

9:30 a.m.–2:00p.m.
Coding Phase 1

2:00 p.m.–2:30 p.m.
Refreshment

2:30 p.m.–4:00p.m.
Coding Phase 2

4:00 p.m.–5:00p.m.
Project Submission

Pixel Perfect

(Lab 4)

11:30 a.m. to 12:30 p.m.

Future Forge

(Lab 3)

12:30 p.m. to 2:30 p.m.

TIMELINE

DAY 3

CODE-A-THON Presentation

(Auditorium 1)
9:00 am to 11:00 a.m.

Prize Distribution

(Auditorium 1)
11:00 a.m. to 12:00 noon

RESULTS

CODE-A-THON
Brand Blitz
Future Forge
Pixel Perfect

EXPO RENAISSANCE

DAY 1

Venue: CORRIDOR & AUDITORIUM 1

Time: 11 a.m. onwards

Duration: 4 hours

Registration fee: ₹200 per team

Rules

- The event showcases advancements in robotics, software, AI, and machine learning models.
- Project dimensions (if it is any physical model) and a brief description of it (within 20 words) should be given by participants.
- No mini-projects are allowed!
- A team can have 4 members at max.
- Bring your laptops for presentations and explanations of your projects.
- All participants and visitors must pre-register online or on-site before entering the expo.
- Booths must be set up within the allotted time frame before the expo begins.
- Ensure all electrical equipment and setups comply with safety standards.
- Maintain cleanliness in and around the booth area.
- Limit presentations or demonstrations to the designated area to avoid overcrowding.
- All displayed projects must be original and developed by the participants.
- Plagiarized content is strictly prohibited and may lead to disqualification.
- Ensure that all materials presented are appropriate and do not include offensive or sensitive content.
- All participants are to bring their identity proof [Aadhar card + college ID card] for validation.

- 
- The background of the slide is a dark blue and black space filled with glowing blue and purple circuit lines, nodes, and light streaks, creating a high-tech, digital atmosphere. A semi-transparent dark grey rectangle is positioned in the upper left quadrant, containing a list of rules in white text.
- **Latecomers will be disqualified.**
 - **All participants and visitors should behave professionally and respectfully.**
 - **Any disrespectful behavior towards anyone will lead to disqualification.**
 - **All participants must adhere to the presentation timings as scheduled by the organizers.**
 - **Participants are responsible for any damage or loss of their belongings.**
 - **Evaluation criteria: -innovation, presentation, technical complexity and relevance.**

People's Choice Award

- Each project booth will display a unique QR code provided by the organizers for voting.
- Only visitors (students, faculty, or guests) can vote.
- Each visitor may vote only once per project; multiple votes from the same person will not be counted.
- Votes must be cast during the official voting period announced by the organizers.
- Any attempt to influence or manipulate votes (fake scans, mass voting, incentives) will lead to disqualification of the project.
- Visitors are expected to see the project demo/explanation before voting.
- Votes will be counted digitally by the organizers; results are final and cannot be challenged.
- The project with the highest verified votes at the end of voting will receive the People's Choice Award in addition to other awards.
- All participants and visitors must behave respectfully and professionally during voting.
- Organizers reserve the right to cancel or modify the award process in case of any technical or ethical issues.

LAST PROTOCOL

(Raft Debate)

DAY 1

Venue: AUDITORIUM 1

Time: 11:00 a.m. onwards

Duration: 2 hours

Registration fee: ₹100 per participant

Rules

- **Participants are trapped in a critical tech-apocalypse scenario.**
- **Only one person can be saved due to limited resources.**
- **Each participant will choose a tech entity during online registration.**
- **The participants shall argue why they deserve survival.**
- **The event will consist of a single main round followed by a rebuttal round.**
- **Main Round**
- **Each participant will be given 1 minute and 30 seconds to present their argument.**
- **A warning bell will be rung 15 seconds before time completion.**
- **Exceeding the time limit may lead to negative marking.**
- **Rebuttal Round**
- **Each participant will be given 1 minute to cross question.**
- **Participants may counter or challenge the arguments presented by other speakers.**
- **Rebuttals must be relevant, respectful, and logical and use of foul language will lead to disqualification.**
- **Allotment of Roles**
- **Tech professional roles will be allotted on a First Come First Serve (FCFS) basis**

- 
- The background of the slide is a dark, futuristic digital landscape. It features a complex network of glowing blue and purple circuit lines that branch out across the frame. Interspersed among these lines are numerous small, bright blue and purple dots, resembling data points or nodes. In the upper left corner, a sharp, diagonal beam of magenta light cuts across the scene. The overall aesthetic is high-tech and cybernetic, with a focus on light and shadow to create a sense of depth and movement.
- **Participants registering earlier will get priority in selecting their role**
 - **Once selected, a role cannot be changed or repeated.**
 - **General Rules**
 - **No use of props, notes, or electronic devices**
 - **Only individual participation is allowed.**
 - **Content must be original and technology-oriented.**
 - **JUDGMENT CRITERIA**
 - **Originality of Content**
 - **Fluency and Confidence**
 - **Presentation Style**
 - **Clarity of Thought and Expression**
 - **Effectiveness of Rebuttal**
 - **Overall Impression**

IT QUIZ

DAY 1

Venue: LAB 1 & AUDITORIUM 1

CBT: 11 a.m. to 12 noon

Final Round: 1 p.m. to 2 p.m.

Duration: 2 hours

Registration fee: ₹50 per participant

Rules

- Each team must consist of 2 members only.
- Once registered, team composition cannot be changed on the event day.
- Latecomers will be disqualified.
- Use of mobile phones, smartwatches, calculators, or any electronic gadgets during the quiz is strictly prohibited.
- Round 1 will be a Computer-Based Test (CBT) covering MCQs from CS fundamentals, reasoning, and tech awareness.
- Any kind of malpractice during CBT will result in immediate disqualification.
- Top qualifying teams from Round 1 will move to the on-stage round.
- Round 2 will include multiple stages such as Quick Fire, Visual, Audio/Video, and Buzzer rounds.
- Teams must press the buzzer only after the quizmaster finishes the question; early buzzers may be penalized.
- Once the buzzer is pressed, the team must answer immediately — no discussion time will be allowed.
- Wrong answers in specific rounds may carry negative marking as announced by the quizmaster.
- In case of a tie, there will be a sudden-death buzzer tie-breaker.
- Audience members are not allowed to prompt, signal, or assist participants.
- Decisions of the quizmaster and judging panel are final and binding.

- **Any form of misconduct, arguing, or disturbance may lead to disqualification.**
- **Teams must maintain discipline, decorum, and respect toward volunteers and organizers**
- **Replacement of damaged equipment (buzzers, mics, systems) due to negligence will be the team's responsibility.**
- **Certificates will be given only to teams who complete participation in the event.**
- **Organizers reserve the right to modify rules if required, and changes (if any) will be announced before the round begins.**
- **In case of low participation, organizers may cancel the event, and all registration fees will be refunded.**

BRAND BLITZ

(Logo Designing)

DAY 1

Venue: LAB 3

Time: 11:00 a.m. onwards

Duration: 1 hour

Registration fee: ₹50 per participant

Rules

- Solo participation is allowed.
- Latecomers shall be disqualified,
- All participants must design their logos from scratch. Pre-made templates, downloaded logos, or clipart from sources like Canva stock are not allowed.
- The use of shapes, fonts, colors, and icons available within design programs like Canva and Illustrator is permitted.
- Internet use is allowed solely for downloading icons or fonts, not for complete designs.
- The time limit for designing is strictly 45 minutes.
- The final logo file must be saved in either a .png or .jpg format.
- The file must be named as:
ParticipantName_Logo.png.
- Participants must bring a valid Aadhar card and a college ID card for validation.
- Any disrespectful behavior will lead to disqualification.
- Participants are responsible for any damage or loss of their personal belongings.
- The judges' decision is final and binding on all.
- Evaluation Criteria : Creativity, Originality, Relevance, Simplicity, Aesthetics, and Overall Impact.

FUTURE FORGE

(Character Designing)

DAY 2

Venue: LAB 3

Time: 12:30 p.m. onwards

Duration: 2 hours

Registration fee: ₹50 per participant

Rules

- Only traditional hand-drawn artwork is allowed. Digital art, AI-generated designs or pre-made assets are strictly prohibited.
- Copying or plagiarism will result in immediate disqualification.
- Solo participation is allowed.
- Participants will have 2 hours to design a protagonist and an antagonist on the given theme (for example: Marvel reimaged, Dream vs Nightmare)
- Latecomers will be disqualified.
- The theme revealed on the spot must be strictly followed.
- Artwork must be done on the A3 sheet provided by organisers. Write your name/ID only on the back of the sheet.
- Participants may bring their own drawing material.
- Participants are responsible for their belongings and any damage caused to venue/materials.
- Any misbehaviour, disrespect to volunteers/judges or disruptive conduct will lead to disqualification.
- Evaluation Criteria: Creativity, Relevance, Character Personality & Storytelling, Visual Appeal & Detailing, Presentation.
- Judges' decisions will be final and binding.

PIXEL PERFECT (Thumbnail Making)

DAY 2

Venue: LAB 4

Time: 11:30 a.m. onwards

Duration: 1 hour

Registration fee: ₹50 per participant

Rules

- Solo participation is allowed.
- No use of AI for images you can only use pictures from google
- Picsart/Canva will be used for thumbnail making.
- If using the phone for editing no extra time will be provided .
- Computer system will be provided by the college itself.
- The participants will be given one hour to design the thumbnail after which the printout of the same will go for judgement.
- Late comers will be disqualified.
- Participants will be responsible for any damage or loss happens in the lab.
- Any misbehaviour or disrespect will lead to disqualification.
- Plagiarism is strictly prohibited and may lead to disqualification.
- Decision of the judges will be final and binding to all.
- All Participants to bring their identity proof [aadhar card + College id card] for validation.
- Evaluation criteria: Creativity, Originality, Humour, Innovation, Overall presentation.

CODE-A-THON

DAY 2

Venue: AUDITORIUM 1

Time: 9 a.m. onwards

Duration: 8 hours

Registration fee: ₹150 per participant

Rules

- Any violation of rules will result in disqualification.
- Latecomers will be disqualified.
- All participants must maintain a respectful and collaborative environment. Harassment, discrimination, or any form of misconduct will not be tolerated and will lead to immediate disqualification.
- The organizing team reserves the right to modify event dates, schedules, rules, or other details as needed. In the unlikely event of a cancellation, all participants will receive a full refund of their registration fees.
- The Code-a-thon is open to all students of any college or university.
- Teams must consist of a minimum of 2 and maximum of 4 members.
- All team members must be officially registered for the hackathon before it commences.
- No changes to team members are allowed after the hackathon has officially started.
- Participants are not allowed to cancel their registration once submitted, except in the case of event cancellation by the organizers.
- All teams will be given 8 hours on the first day to build, deploy, and submit their project. The first 30 minutes will be reserved for the welcome speech, explanation of rules, judging criteria, submission process, and announcement of the theme/problem statement.
- Teams must start all development from scratch at the beginning of the event.
- Teams are required to work on one problem statement.
- All team members must be present for the duration of the event.
- Teams can use any tech stack they prefer (e.g., MERN Stack, MEAN Stack, MEVN Stack, Django Stack, etc.).
- Teams are required to implement minimum 4 backend functionalities.
- Mentorship will be provided to teams during the event to guide them as needed.

- **Projects without backend functionality will be accepted; however, no marks/points will be awarded for backend functionality.**
- **No pre-written code is allowed. Only open-source libraries approved by the organizers are permitted.**
- **All teams retain full ownership of what they build. However, organizers may showcase the projects for promotional purposes with due credit to the respective teams.**
- **Every participant must bring their own necessary technical equipment and have their own internet connection (like Laptop, Laptop charger etc.).**
- **Internet access is allowed throughout the event.**
- **Internet will be provided only if participants don't have their own; otherwise, they must arrange it themselves.**
- **Teams must push their complete project to GitHub and host the project.**
- **The final submission will be considered based on the GitHub repository state at the submission deadline, as determined by the organizers.**
- **The submission timestamp is the push time to GitHub, not the local commit time.**
- **Any changes to the code or project after submission will result in disqualification.**
- **Teams must present their projects to the judges either on the same day after coding or on the following day, depending on the event schedule.**
- **Teams are required to submit the project abstract, source code/snapshots, final GitHub push screenshot, presentation file, GitHub repository link, and a working deployment URL.**
- **Teams must submit their project through e-mail, Google Forms, or any other platform specified by the organizers. Late submissions will not be accepted.**
- **Evaluation Criteria: UI/UX (30%) Functionality and Technical Complexity (40%) Innovation (20%) Presentation Skills (10%)**
